

DEDEEPIYA BARATAM | RESUME

- » Status: Pursuing Btech in Information Technology.
- » Skills: Java, C, C++, Python, JavaScript, CSS, HTML, Data Structures.
- » Interests: Reading Books, Traveling.
- » Activities: Clubs or Societies, Volunteering.

Summary

I am a passionate and dedicated Frontend Developer currently pursuing a B.Tech in Information Technology. I enjoy designing and developing responsive, user-friendly web interfaces that combine clean design with smooth functionality. My skill set includes HTML, CSS, JavaScript, and Bootstrap, and I am actively expanding my knowledge by exploring modern frontend practices and frameworks.

Through hands-on projects, hackathons, and coding events, I have gained practical experience in building real-world web applications and improving my problem-solving abilities. I enjoy learning new technologies, experimenting with UI/UX ideas, and continuously refining my skills to stay updated in the ever-evolving tech landscape.

|--|---------------------------|
| '1/12/2025 | Frontend Developer |
| <ul style="list-style-type: none">» Participated in CIGAI, an AI-focused event where I gained exposure to fundamental artificial intelligence concepts, problem-solving approaches, and collaborative learning.» The experience helped me understand how AI can be applied to real-world scenarios and strengthened my interest in AI-driven technologies.» Participated in CIGAI, where I explored AI concepts, worked on innovative ideas, and enhanced my analytical thinking and technical understanding through hands-on learning and team collaboration.» Participated in CIGAI, an AI-based event that provided valuable insights into artificial intelligence, encouraged innovative thinking, and improved my ability to approach problems from a technology-driven perspective. | |

Education

2024 - 2028	Bachelor of Technology (B.Tech) – Information Technology	AITAM-CGPA:9.26
	<ul style="list-style-type: none">» Focused on web development, programming, and problem-solving» Actively learning frontend technologies and building projects	
2022 - 2024	Intermediate (12th Grade)	Sri Chaitanya:9.1
	<ul style="list-style-type: none">» Studied core subjects with a strong foundation in mathematics and logic	
2021 - 2022	Secondary School (10th Grade)	St.claret high school:9.0
	<ul style="list-style-type: none">» Built strong fundamentals and developed interest in technology
